Going Above and Beyond, Every Day

2022 was another strong year for Trustbridge. As the world began to look beyond the pandemic and a sense of normalcy returned, Trustbridge continued to focus on its mission to provide families with access to compassionate, expert, and professional healthcare services in their time of need, throughout their lifespan.

Our teams continued to provide compassion and dignity to our patients and families, offering them peace and clarity during their end-of-life journey. We were there to support those left behind, providing comfort, guidance and reassurance that they were not alone on their personal process of grief. Our commitment to show up for the communities we serve, and each other, never wavered.

As we reflect on the past year, we are filled with gratitude for the extraordinary empathy and dedication the people of Palm Beach and Broward County have shown towards those facing life-limiting illness through their generosity. A few highlights from 2022 include:

- ♥ Our Foundation welcomed a new President and CEO, Deborah Johnson, CFRE. After an extensive search, Deborah stood out as the person to lead Trustbridge Hospice Foundation and champion its programs to enhance Trustbridge services. Her experience and passion have been a welcome addition to the Trustbridge team and we are excited to be working with her.
- ♥ Trustbridge reaffirmed our commitment to the pursuit of diversity, equity, and inclusion, to foster a safe and welcoming environment for staff and patients by earning the SAGECare Platinum Credential. The SAGECare Platinum credential recognizes Trustbridge's commitment to providing an inclusive, non-discriminatory network of care.

This is only a small glimpse into the valuable work of our professional staff, volunteers, board of directors, community partners, donors and supporters in Palm Beach and Broward Counties that ensure the extraordinary delivery of care for our patients and families. But the resonating theme is Trustbridge's never-ending commitment to our mission to provide compassionate, effective, and ethical care.

Thank you for being a part of Trustbridge and for allowing us to go above and beyond every day for our patients and their loved ones.

Sincerely,

David C. Fielding

With Gratitude

I am honored to have been given the opportunity to support the amazing work of Trustbridge as the President and CEO of Trustbridge Hospice Foundation. I believe that every family facing serious illness deserves physical comfort, emotional well-being and personal dignity.

Thanks to the generosity of friends like you, we can enhance our level of care and community benefit with specialty programs and services. These programs ensure that we are able to meet the needs of all of our patients and families, throughout every stage of their journey.

“ I could never ever, ever find the words to express my gratitude to the incredible and kind nurses, the medics, Trustbridge as a whole, for the incredible moment you were able to put together for us. I truly don't know how to thank you but know that it was one of the most beautiful memories of our lives. Your efforts allowed my mother to witness her eldest get married, and for all her children to be alongside her and feel the love we have for her. We were able to celebrate something beautiful and joyful in all this sadness that we are experiencing. Thank you, thank you, thank you. ”
